FAIRYTALE FOREST IN JAROSŁAWIEC IN THE VICINITY OF PANORAMA MORSKA

A magical place in the vicinity of Panorama Morska Right behind the fence in our neighbourhood, deer and fallow deer have settled in and have given birth to their offspring. There are peacocks, guinea fowl, chickens, geese, turkeys and other birds - they have found a place for themselves, delighting our guests both young and old!

Panorama Morska offers various types of rehabilitation and wellness programs, including:

- Rehabilitation stays: Medical and rehabilitation stays for both private guests and those funded by foundations or employers.
- Rehabilitation programs for people with disabilities: Specialized programs for individuals with various types of disabilities, financially supported by PFRON (the State Fund for Rehabilitation of the Disabled).

THE FACILITY PROVIDES A WIDE RANGE OF REHABILITATIVE TREATMENTS, WHICH INCLUDE:

- BALNEOTHERAPY:** Water-based therapy to promote health and well-being.
- KINESIOTHERAPY:** Group exercises, such as general development exercises, pain management for spinal issues, corrective exercises, Nordic Walking, activities for children, as well as equipment for joint exercises.
- MASSAGE:** This includes physiotherapeutic massage using the Wellsystem Hydro Jet Medical and automated lymphatic drainage for the limbs.
- HYDROTHERAPY:** Utilizing the JET-STREM Moto-massage, circular limb massages, as well as four-chamber galvanic and temperature-variable baths.
- PHYSIOTHERAPY:** A variety of physical therapies, including galvanization, diadynamics, interferential currents, Kotz currents, Trabert currents, TENS, electrostimulation, iontophoresis, magnetotherapy, ultrasound therapy, phonophoresis, and tonolysis.
- LIGHT THERAPY:** This therapy includes laser treatments and the use of red and blue sollux lights for various therapeutic purposes.
- MANUAL DEXTERITY EXERCISES:** Exercises focused on improving hand manipulation and fine motor skills.

Please note that some of these treatments are subject to an additional fee, and the specific pricing can be found in the rehabilitation treatment price list. These treatments are prescribed and planned as part of the physiotherapy program.

SYSTEM of INDIVIDUAL IDENTIFICATION (SII)

The current SII system has been introduced for the common safety and comfort of stay and making the Health Resort & Medical SPA Panorama Morska and its infrastructure available only for the guests of the Resort. This means that the Health Resort is only available to people with such identification in the form of wrist straps. At the same time, we inform that waste, loss or destruction, also providing the identification strip to others will prevent you from using our services to the full extent.

NON-CASH PAYMENT SYSTEM

In the area of the Health Resort & Medical SPA Panorama Morska in Jarosławiec there is a cashless payment system. This means that we use corporate payment cards of Panorama Morska, being the only form of payment. Payment cards can be purchased at the reception of the Resort and at the Aquapark ticket office by paying in cash or by credit card.
